Web savvy illustrator specializing in entertainment, non-profit and editorial designs created in the development of successful international campaigns. Suzanne's experience working in many facets of the TV and film industry, combined with her most recent work as principal designer for celebrity driven ventures, gives her a unique artistic perspective. Non-profit organizations have sought her creative vision and been rewarded with dynamic new projects and successful rebranding. Suzanne's editorial entertainment portraits have been published, merchandised and featured in gallery showings. She graduated from California State University at Northridge with a B.A. in Fine Art. With an engaging personality, and excellent writing skills, Suzanne is able to communicate effectively.
